

### About Your Free Bonuses - Numbering

(You may want to print this page for easy reference of bonuses.)

Most of these bonuses (PDF's) in this folder are listed in your e-book, but a few are not. (All the e-books are in PDF format, but most of the bonus PDF's are very short reports or documents, so they aren't call e-books, just PDF's.)

In the e-book the bonuses are numbered differently than the PDF titles because we added some bonuses and changed the bundling since our original e-book. This page is to clarify the numbering for you as to how they correspond with your e-book & bundle.

Most of the first 7 bonus treatments shared in the e-book (Contents p. 52 of e-book) don't have corresponding PDF's, but beginning with Bonus #8 up do have corresponding PDF's. The table below lists the titles, e-book bonus numbers, and their sequential numbers (PDF titles [FB1 – 11]; “FB” stands for Free Bonus).
